

Building A Cooperative Community Vision
A Community and Economic Development Plan of Action

To Whom It May Concern:

It is with first hand experience that I recommend John W. Howard, Ph..D. of Performance Resources, Inc. as an excellent choice for a Chamber of Commerce presentation. His scholastic background and real life experience give John the cutting edge in performance assessment. The information he shared with our Chamber group was eye opening and made for a thought provoking afternoon.

Time shared with John is well spent and I would encourage all Chambers to utilize his expertise. John is an active member of our Chamber and is respected by his peers. I would be happy to answer any questions that you might have. I can be reached at (435) 752-2161 ext. 103 or tiffani@cachechamber.com

Sincerely,

Tiffani Rudd, Membership Director
